List of Bioequivalence Centres Approved by GCC

- Any approved center in last two years by two of the control authorities: USFDA, Health Canada, TGA, MHRA & EMA) or WHO together with one of the previously mentioned authorities can be included in the above list by submitting to Taawon portal.
- Centers not included in this list can address the Executive Board and submit a full file about the center for its visit and hence its approval.
- The Gulf Health Council shall apply this mechanism on the new products presented to the Central Registration as of 1st June, 2014.
- The member states shall comply with these criteria at the peripheral level.
- The Gulf Health Council shall post this list on its website, the list will be periodically reviewed and updated.
- Any center accredited for more than 5 years must submit for re-accredited, since the center will be considered expired according to the published bylaws.
- **Any submitted studies that were conducted in 2024 and beyond from an expired center accreditation will be rejected.**
